To: **The Shareholders of SHL Consolidated Bhd.**

Dear Sir/Madam,

**PROPOSED SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY
TRANSACTIONS OF A REVENUE OR TRADING NATURE**

1. INTRODUCTION

At the AGM held on 4 September 2014, the Company obtained a general mandate from its shareholders for the Company and/or its subsidiaries to enter into Recurrent RPTs in the ordinary course of business based on commercial terms which are not more favourable to the Related Parties than those generally available to the public which are necessary for the SHL Group's day to day operation.

The said Mandate shall, in accordance with the Main Market LR, lapse at the conclusion of the forthcoming AGM unless approval for its renewal is obtained from the Shareholders of the Company at the forthcoming AGM.

In connection thereto, on 15 July 2015, the Board of SHL announced its intention to seek a fresh shareholders' mandate for the Recurrent RPTs comprising shareholders' mandate which has been obtained on 4 September 2014 as well as additional Recurrent RPTs that were not covered under the previous shareholders' mandate at the forthcoming AGM.

This Circular serves to provide you with the relevant information on the Proposal and to seek your approval in relation to the Proposal to be tabled at the forthcoming AGM.

The Notice of the AGM is enclosed together with the Annual Report 2015.

**YOU ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE
VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSAL AT OUR FORTHCOMING AGM**

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 The Main Market LR

Paragraph 10.08 of the Main Market LR stipulates the obligations which a listed issuer must comply with in relation to a transaction entered into by the listed issuer or its subsidiaries which involves the interest, direct or indirect, of a related party.

Paragraph 10.08(1) of the Main Market LR provides that where any one of the percentage ratios of a related party transaction is 0.25% or more, a listed issuer must announce the related party transaction to Bursa Securities as soon as possible after terms of the transaction have been agreed, unless–

- (a) the value of the consideration of the transaction is less than RM500,000; or
- (b) it is a recurrent related party transaction (i.e. a related party transaction which is recurrent, of a revenue or trading nature and which is necessary for day-to-day operations of a listed issuer or its subsidiaries).

In addition to Paragraph 10.08(1) of the Main Market LR, Paragraph 10.08(2) of the Main Market LR provides that subject to subparagraphs 10.08(9) and 10.08(10), where any one of the percentage ratios of a related party transaction is 5% or more, a listed issuer must, *inter alia*–

- (a) send a circular to the shareholders;
- (b) obtain its shareholders' approval of the transaction in general meeting; and
- (c) appoint an independent adviser who is a corporate finance adviser within the meaning of the Securities Commission's Principal Adviser Guidelines, before the terms of the transaction are agreed upon.

However, pursuant to Paragraph 10.09(2) of the Main Market LR, a listed issuer may seek a mandate from its shareholders for recurrent related party transactions subject to, *inter alia*, the following–

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Main Market LR;
- (c) in a meeting to obtain shareholders' mandate, the relevant related party must comply with the requirements set forth below:
 - (i) a related party with any interest, direct or indirect ("interested related party"), must not vote on the resolution in respect of the related party transaction;
 - (ii) an interested related party who is a director or major shareholder must ensure that persons connected with he/she abstain from voting on the resolution in respect of the related party transaction; and

- (iii) where the interested related party is a person connected with a director or major shareholder, such director or major shareholder, as the case may be, must not vote on the resolution in respect of the related party transaction.
- (d) the listed issuer is required to immediately announce to Bursa Securities when the actual value of a recurrent related party transaction entered into by the listed issuer, exceeds the estimated value of the recurrent related party transaction disclosed in the circular by 10% or more.

In compliance with Paragraph 10.09 of the Main Market LR and in view of the expiry of the mandate at the conclusion of the forthcoming AGM, SHL now proposes to seek a fresh mandate from its shareholders for the SHL Group to enter into Recurrent RPTs with Related Parties, details of which are more particularly set out in Sections 2.2 and 2.3 of this Circular.

The fresh shareholders' mandate will take effect from the passing of the ordinary resolution proposed at the forthcoming AGM and will continue to be in force (unless revoked or varied by the Company in a general meeting) until the conclusion of the next AGM of the Company. Thereafter, approval from the shareholders for subsequent renewals will be sought at each subsequent AGM of the Company.

SHL has disclosed the aggregate value of the Recurrent RPTs conducted during the financial year ended 31 March 2015 in its Annual Report.

2.6 Review Procedures for the Recurrent RPTs

There are procedures established by the SHL Group to ensure that Recurrent RPTs are undertaken on an arms' length basis and on normal commercial terms, consistent with the SHL Group's usual business practices and policies, where are generally not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders. The procedures are as follows:-

(a) Limits of authority

- (i) Where the transaction is one with a value equal to or in excess of RM1,000,000.00, it will be reviewed by the Audit Committee which will, if thought fit, recommend to the Board for approval.
- (ii) Where the transaction is one with the value below RM1,000,000.00, it need not be reviewed by the Audit Committee at the point contract is entered into but shall be tabled to the Audit Committee for review on a quarterly basis.

(b) Monitoring of the General Transactions

- (i) To enable the Audit Committee to review and monitor the Recurrent RPTs, a report on the Recurrent RPTs will be made by senior management based on at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities which will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities provided under the Proposed Shareholders' Mandate for the Audit Committee's consideration.
- (ii) For certain Recurrent RPTs where quotations from unrelated third parties are not available, the Audit Committee will review the type and nature of the transactions to satisfy themselves that the transactions with the Related Parties are entered in the best interest of SHL Group. The Audit Committee will take into account factors including pricing, quality, speed of delivery, priority service, good supply logistics and other factors which contribute to the operational and administrative efficiency of SHL Group and ensure that the overall terms are fair and reasonable.
- (iii) The rental of premises shall be at prevailing market rates for the same or substantially similar properties and shall be on normal commercial terms and that the Recurrent RPTs are not detrimental to the SHL Group.
- (iv) A register will be maintained by the Company to record all the Recurrent RPTs that are entered into pursuant to the Proposed Shareholders' Mandate and will be available to the Audit Committee for its quarterly review.
- (v) To ensure that such Recurrent RPTs are conducted at arm's length and on normal commercial terms consistent with the SHL Group's usual business practices and policies and that such Recurrent RPTs will not be prejudicial to shareholders, the management will ensure that the Recurrent RPTs with the Related Parties will only be entered into after taking into account the pricing, level of service, quality of product and other relevant factors.
- (vi) The Audit Committee may, if it considers necessary, instruct the internal auditor to carry out a review of any or all of the Recurrent RPTs to ascertain that the guidelines and procedures established to monitor the Recurrent RPTs have been complied with.

The Board of SHL and the Audit Committee have reviewed the above procedures and will continue to review the procedures as and when required, with the authority to sub-delegate such function to individuals or committees within the Company as they deem appropriate. If a member of the Board of SHL or the Audit Committee has an interest in the transaction to be reviewed by the Board of SHL or the Audit Committee as the case may be, he will not participate in the deliberation of such transaction and will abstain from any decision making by the Board or the Audit Committee in respect of that transaction.

2.7 Audit Committee Statement

The Audit Committee is satisfied that adequate procedures and processes are in place to monitor, track and identify Recurrent RPTs in a timely and orderly manner. The Audit Committee meets on a quarterly basis to review and approve Recurrent RPTs together with any changes pertaining to the procedures and processes.

The Audit Committee has seen and reviewed the procedures mentioned in Section 2.6 above and is of the view that the said procedures are sufficient to ensure that the Recurrent RPTs are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

2.8 Validity period

The authority to be conferred pursuant to the Proposed Shareholders' Mandate, if approved at the forthcoming AGM, will continue to be in force until:

- (a) the conclusion of the next AGM of the Company at which time it will lapse, unless by a resolution passed at the AGM the mandate is again renewed;
 - (b) the expiration of the period within which the next AGM of the Company after the date it is required to be held pursuant to Section 143(1) of the Act, (but shall not extend to such extension as may be allowed pursuant to Section 143(2) of the Act); or
 - (c) revoked or varied by resolution passed by the shareholders in a general meeting,
- whichever is earlier;

Thereafter, approval from the shareholders for subsequent shareholders' mandate will be sought at each subsequent AGM of the Company.

[The remaining of this page is intentionally left blank]

3. RATIONALE FOR THE PROPOSED SHAREHOLDERS' MANDATE

The rationale for and benefit of the Proposed Shareholders' Mandate to the SHL Group is as follows:

- (a) to facilitate transactions with Related Parties which are in the ordinary course of business of the SHL Group, and on terms which are not more favourable to the Related Parties than those generally available to the public;
- (b) to enable the SHL Group to transact with the Related Parties in an expeditious manner to meet business needs for the supply and/or provision of goods and services which are necessary for its day-to-day operations particularly business need which are time sensitive in nature;
- (c) for transactions where it is vital that confidentiality be maintained, it will not be viable for prior shareholders' mandate to be obtained as this will entail the release of details of the transactions and may adversely affect the interests of the SHL Group and place the SHL Group at a disadvantage to its competitors who may not require shareholders' mandate to be obtained; and
- (d) will eliminate the need to announce and convene separate general meeting to seek shareholders' mandate for each transaction and as such, substantially reduce expenses, time and other resources associated with the making of announcements and convening of general meetings on an ad hoc basis, improve administrative efficiency considerably and allow financial and manpower resources to be channeled to attain more productive objectives.
